The collection is part of a national grassroots effort to assist healing and reconciliation with Indigenous Peoples of This Land.

To date, the Archdiocese of Toronto has allocated \$4.5 million to support projects that focus on culture and language revitalization, education and community building, healing and reconciliation for communities and dialogue involving Indigenous elders, spiritual leaders and youth. Let us join together and follow the invitation extended by the late Pope Francis during his penitential visit of 2022 for each one of us to become engaged in the healing and reconciliation journey.
